Subject: Regional Support to Gold King Mine Spill

Colleagues,

It has come to my attention that some of you are deploying resources to Region 8 at the request of headquarters to support the spill response effort. I believe our comptrollers have already spoken regarding this situation, but I wanted to reach out to you and let you know that if you have a deployment please have your comptroller contact Ben Bielenberg (R8 comptroller) to work out the time and travel details.

Thanks.

Rick
